**DOUBLE YOUR DOLLARS!**

**Did you know that many corporations match dollar-for-dollar the donations their employees make to nonprofit organizations?** You can **double** or even **triple** the power of your gift to the Columbia Orchestra if you work for a company that has a matching gift program. The Columbia Orchestra Annual Fund counts the match as part of your gift.

If your employer is not on the following list of matching gift companies, see your benefits advisor to find out if you are eligible to have your gift matched and increase your giving to the Columbia Orchestra today! If you have questions about the orchestra's Matching Gifts Program, please call (410) 465-8777 or E-mail [execdir@columbiaorchestra.org](mailto:execdir@columbiaorchestra.org).
